

Friday Seminar - 12:10 – 1 PM

January 11, 2019

MedSci 180C

Sumathi Sankaran Walters, Ph.D.

Associate Professor, Medical Microbiology & Immunology
University of California Davis

Journal Club Session "Introduction to Microbiology & Immunology Research"
(STUDENTS ONLY)

January 18, 2019

GBSF Auditorium

Sungjin Kim, Ph.D.

Associate Professor, Center for Comparative Medicine
University of California, Davis

Journal Club Session "Cutting Edge: Antibody-Dependent Memory-like NK Cells Distinguished by FcR γ Deficiency" (STUDENTS ONLY)

January 25, 2019

GBSF Auditorium

Judith A. Smith, M.D., Ph.D.

Associate Professor
Pediatrics, University of Wisconsin, Madison

"Brucella: a master manipulator of intracellular defenses"

February 1, 2019

GBSF Auditorium

Marcelo Kuroda, M.D., Ph.D.

Professor
SVM: Anatomy, Physiology and Cell Biology, Center for Comparative Medicine
University of California, Davis

"Understanding the role of macrophages in the pathogenesis of cardiovascular disease in HIV/AIDS using the nonhuman primate model"

Friday Seminar - 12:10 – 1 PM

February 8, 2019

GBSF Auditorium

David Segal, Ph.D.

Professor
 Genome Center
 University of California, Davis
"A Center for Interventional Genetics"

February 15, 2019

GBSF Auditorium

Frank R. Sharp, M.D.

Associate Professor
 Department of Neurology
 UC Davis Health, University of California, Davis
"Lipopolysaccharide from Gram negative bacteria causes Alzheimer's Disease and White Matter Hyperintensities"

February 22, 2019

GBSF Auditorium

Stephen C. Noctor, Ph.D.

Associate Professor
 MIND Institute
 UC Davis Health, University of California, Davis

March 1, 2019

GBSF Auditorium

Mark Krasnow, M.D., Ph.D.

Professor
 Biochemistry, Stanford University

March 8, 2019

MedSci 180C

Yan Xiang, Ph.D.

Professor
 Microbiology, Immunology & Molecular Genetics
 San Antonio, Long School of Medicine, University of Texas Health
"Interfering with interferons: immunology lessons learned from poxviruses"

March 15, 2019

GBSF Auditorium

Journal Club – Students Only
